Allotement of DDA Flates/Plots without water and electricity

294. SHRI GHUFRAN AZAM: Will the Minister of URBAN AFFAIRS AND EMLOYMENT be pleased to state:

(a) whether Government are aware that DDA has recently allotted flats and plots in Rohini and other areas of Delhi, without making provision for water and electricity therein;

(b) if so, the details thereof, alongwith the reasons therefor; and

(c) by when water and electricity connections would be provided to allottees of these flats/plots on demand, completing the development works relating to electricity and water, in coordination with other related agencies, so that allottees could live in these flats and owners of plots can start construction of their houses without any further delay?

THE MINISTER OF STATE OF THE MINISTRY OF URBAN AFFAIRS AND EMPLOYMENT (DR. U. VENKATESWARLU): (a) and (b) Yes Sir. The DDA has reported that the following flats have recently been allotted in different colonies mentioned below where electricity is not available:

	SFS	MIG	LIG	EWS
Rohini	—	482	420	1890
Kondli Gharoli	53	13	—	587
Narela	—	158	338	1274
Dewarka	—	240	80	—

As an interim arrangement, water has been made available through tube wells wherever it was considered possible to do so.

4704 plots at Rohni were allotted on 5.10.89 and 5740 on 27.3.91. Electricity and basic amenities have been provided now in all these plots and such allottees can now go ahead with the construction on the plot after getting their building plan sanctioned from the DDA.

Flats were allotted on the basis of target dates given by Delhi Vidhut Board (DVB) for providing electricity. Sometimes the target dates could not be adhered to by the D.V.B. due to shortage of power, non-clearance of line routes, contractual and temporary material shortage problem, etc. Regular coordination meetings are held by DDA at various levels with all concerned agencies for provision of basic amenities in these flats.

(c) According to the schedule given by the Delhi Vidyut Board to DDA the following target date/time has been given for providing electricity in the said colonies.

Rohini	—	January, 1988
Dwarka	—	October, 1997

No target dates for provision of electricity in Narela and Kondli Gharoli has been given by the Delhi Vidyut Board as yet.

(d) whether any of such Hostels, with special reference to that of Calcutta, is virtually functioning under CPWD, instead of the Directorate of Estates and is running without catering service for the last one year, creating problems for officers occupying the same?

THE MINISTER OF STATE OF THE MINISTRY OF URBAN AFFAIRS AND EMPLOYMENT (DR. U. VENKATESWARLU): (a) A list of touring officers' hostels available in the Metropolitan cities along with their addresses is placed at Statement (*See* below).
